

## 2018-2019 PE and sport premium funding report

### Purpose

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money. Ofsted inspections report on how primary schools spend their PE and sport premium funding.
