Mike Shorten
Principal & Deputy CEO

Carmel Education Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post will be subject to a satisfactory Enhanced Disclosure and Barring Service check.

Carmel College works closely with other Academies in the Carmel Education Trust and we may ask you from time to time to be based at another Academy within the Trust.

The Directors and Governors of this highly successful Catholic Academy, a member of the Carmel Education Trust, wish to appoint a Teacher of Mathematics from September 2019 to August 2020 covering maternity leave.

Carmel College is recognised by Ofsted as Outstanding in all areas and holds a number of nationally recognised awards including: Inclusive School Award, Arts Mark, Confucius Classroom and International School Award. Carmel College is proud to be a Teaching School, offering support and training for leaders across the region including Initial Teacher Training regionally, the Science Learning Partnership and the Archimedes Maths Hub. This year we are also delighted to have been designated as a World Class School.

We are seeking to appoint a well-qualified and enthusiastic teacher who would relish the opportunity to teach maths to KS3 and 4. As well as full time maths teachers, we would consider applications from candidates interested in teaching part time.

For further information, or to arrange a visit to the College please contact Hayley Wooding, PA to the Principal & Deputy CEO on 01325 523414 or hwooding@carmel.org.uk

Application forms are available on our website and should be returned to recruitment@carmel.org.uk

We look forward to welcoming you to our College.
